

## How to Send Us Your Flowers

1. Carefully trim the edge of your flowers at an angle to enable them to collect some moisture during travel.
2. Pop them in a vase and give them a soak in water. (Minimum 1-2 hours)

3. Once they have had a good drink of water, wrap some damp kitchen towel around the bottom of the stems to keep them moist for travel.

4. Tightly wrap some foil around the damp paper towel to ensure no water can escape and travel to the buds.

5. Pop the stems into a sandwich/food bag, this can be a zip lock or one without a zip lock.

If you are using a zip lock, seal the bag as much as possible and add an elastic band over the bag for extra security. If you aren't using a zip lock, seal the bag with some sellotape and an elastic band.

6. Once the stems are nice and secure, your flowers will be ready to be boxed and posted to us.
7. Pack some crunched-up newspaper in the box around the stems, ensuring the flowers are in an upright position and secure. This will also protect them from being knocked over and damaged in the post.

8. Please ensure there is a note inside the box clearly stating your name and contact details as well as the date of the event.
9. Clearly mark the box with **FRAGILE** and draw some arrows pointing upwards marked, '**THIS WAY UP FRESH FLOWERS.**'

DO NOT USE CLING FILM AROUND FLOWER HEADS OR BUBBLE WRAP TO PAD OUT THE BOX.

10. Post to: Sals Forever Flowers Ltd, 14 Severn Drive, Dothill, Wellington, Telford, TF1 3LQ.
